POINT 01 Comfortable Use

We challenge those uncomfortable back scrub products!

Do you know about low-cut zone?!

The low-cut zone is difficult to wash because it is not visible and unable to reach easily. If you've been worried because of the uncomfortable residue, pay attention!

[Back Scrub Kit] Rubby Bubby is ergonomically designed to minimize strain on the wrist, and freshly care the back (low-cut zone) where it is hard to reach by hand makes bath time more enjoyable.

POINT 03 Skin Care Effect

Make a confident and clean back

POINT 02 Funding Benefit

A special gift with the new release

Benefits for launching!

In addition to the launch price, we offer additional self-made Kkon-Sa-In-Gyun (viscose rayon) towels. This viscose rayon towel is made with eco-friendly silk that is less irritating to the skin, and the front part where finger touch is made in a round shape to easily remove the dead cell without clumping up the towel.

POINT 04 On you own is, OK

A premium bath product that perfectly fit the untact time

POINT 05 For Gift

Recommend for a gift!

For men and women of all ages!

Koreans, we are not done with the bath unless we have exfoliated through a body scrub.

It can be a perfect gift for anyone who feels uncomfortable going to the bathhouse, who lives alone, who is embarrassed to ask for the back scrub, and those who have uncomfortable wrists or shoulders.

Use it as a couple set together and get a bigger benefit!

POINT 06 Safety Use

It is non-toxic material, so use without worries!

This product is made of non-toxic material, and it is harmless to the human body.
