MAY ISLAND

The true beauty that
begins in nature, **MAYISLAND**

The skin blooms in May, imaginary island with all the beauty of the world, MAYISLAND
Based on honest prescriptions from nature, safety and faith, the brighter values over time!

Beauty From Nature

May Island is a **professional cosmetic brand** that reaches forward to **Naturalism**.

May Island **pursues a true beauty from the nature as a value**, provides healthy beauty cosmetics that are **harmonized with natural ingredients and a use of special recipe from original research** to present nature's honest and infinite life to the skin.

May Island is constantly trying to find natural ingredients that **contain wealth of vitality and energy of nature** by searching clean natural islands around the world.

Honest naturalism cosmetic maker, May Island, produces products with honest recipes from nature with faith of 'True beauty is from nature'.

MAY+ISLAND

May : May symbolizes warmth and beauty
Island : Island of clean nature

May Island contains a faith of wish to present beauty to the skin with cosmetics that are harmonized with natural ingredients from the nature with a use of special recipe from original research.

Our Value

Raw Material

We seek only the best raw materials and use honest natural raw materials and find non-polluted nature all over the world including Jeju Island.

Container

We use the recycling containers that can be reused to practice the value of green growth.

Pleasure

We aim to provide pleasure of life through the use of unique dosage forms and immediate satisfaction after use.
