Skin Barrier

AVEA innovative ProbioticsⅢ Gel cleanser that removes all traces of makeup, excess oil, pollution, and any other dirt from the day. It is a gel-type, slightly acidic face wash that takes care of skin irritation and troubles.

This specially formulated Probiotics III complex (Eve Vegan Certified) helps restoring the skin's balance, renews the skin barrier and has wound healing and anti-inflammatory properties.

AVEA Eco Luxury Probiotics III Gel Cleanser minimizes skin irritation and offers very neat feeling by using plant derived surfactants. On top of 5 kinds of Cicas from Centella Asiatica, and following natural ingredients were also additionally formulated Melissa Officinalis Leaf, Lavender, Peppermint & Lemon Balm in order to minimize skin irritation and give a very refreshing feeling!

An irritating and strong face wash can even wash off the skin barrier, causing skin troubles. AVEA Probiotics III Face Gel Cleanser takes only unnecessary waste and leaves the necessary moisture to create a skin base for the next skin care routine. The Gel Cleanser has a slightly acidic pH to minimize skin irritation.

Your unnecessary wastes on skin are removed while your skin barrier and moisture are protected!

AVEA Eco Luxury Probiotics III Gel Cleanser

Take an appropriate amount of gel on palm or AVEA Eco Luxury KONJAC Cleansing Sponge and lather it with small amount of lukewarm water, and then gently rub over the entire face. You may use the gel without KONJAC Sponge also.

Then, rinse it with lukewarm water and then gently tap the face with a towel to dry.

TIP1: Use a cotton swab or cotton pad to gently rub the areas that cannot be easily removed, such as Eyeliner.

TIP 2: If you want a more rolling feeling on your skin, use more gel cleanser and lukewarm water.

TIP 3: If you use the Gel Cleanser and the KONJAC Cleansing Puff together, you can deep clean hard-to-reach areas with richer foam.
