

SKYMILK

# CAPSULE LAUNDRY DETERGENT

HIGHLY-CONCENTRATED

Just toss it ! Lighten the load of your day!

Problem

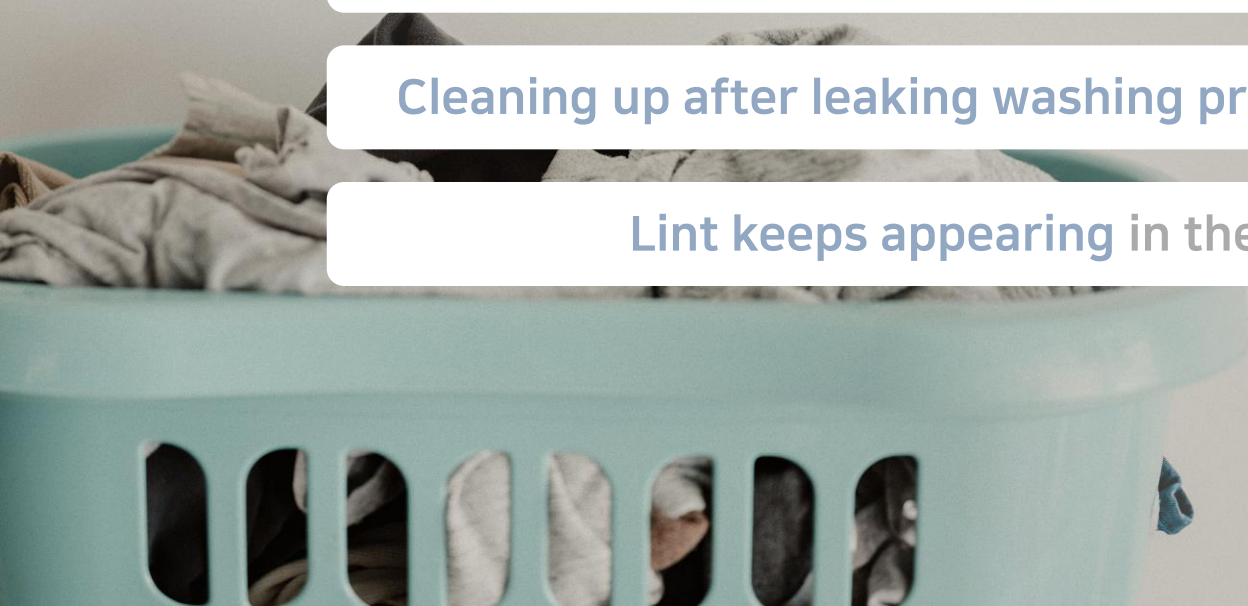

# Everyone knows the hassle of traditional laundry products

Heavy Items cause wrist pain

Inconvenient measuring of liquid or powders

Cleaning up after leaking washing products is annoying

Lint keeps appearing in the laundry

Farewell to bothersome laundry

# Solve it with just one capsule

The scent is subtle and inviting, enticing you to continue enjoying it. It gently wafts from the towels, creating a delightful experience.

csdw\*\*\*

Aw, the Sweet Dream scent is just wonderful! The lingering fragrance is so refreshing, it really makes doing laundry a breeze. It's like magic that keeps you wanting to do more laundry. ♡♡

ksji\*\*\*\*

After trying SKYMILK, I found that even a small amount is sufficient to effectively remove stains, and the scent is also delightful.

cjst\*\*\*\*\*

No need to measure the detergent, no spills—just toss it in! It's really convenient.
