PRODUCT

Introduction

<https://www.junglemonster.co.kr>

cat dog new

Keep your pet's pads and skin moisturized

Ceramidog

KEY point

High-Quality Ingredients

Made with Ceramides, Hyaluronic acid and Collagen to soothe and moisturize rough skin and paw pads

RELIEVING

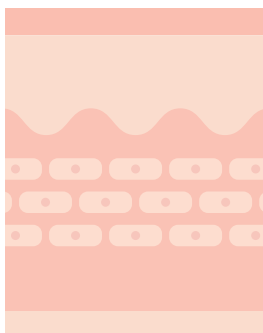

Repairs chapped and damaged skin with Centella extract & Skullcap Root extract

FAST AND EFFECTIVE

Fast Absorbing & Non-Greasy Cream

Daily Moisturizing Cream

Human skin

Dog & Cat's skin

Dog&Cat's epidermis is only 8-10 cell layers thick, whereas human's are 18-20 cell layers thick. Their skins are much more sensitive and often likely get dry and itchy.

Your pet needs a solution for protecting vulnerable skin!
