## 비아이펙트 콜라겐다이아리 앰플마스크

Collagen essence and aloe vera leaf extract provide rich moisture to tired skin, and 3D gauze-type collagen peptide sheet (collagen gauze cell sheet) adheres to the skin in a three-dimensional sense. It is a premium collagen mask pack that delivers nutrition and helps to form a skin barrier.

Premium sheet mask  
developed by Beauty in Asia,  
a specialized non-woven fabric  
factory that produces sheets  
for most domestic and foreign  
famous brands

A factory that communicates with  
consumers, Beauty in Asia  
developed by collecting the  
opinions of consumers.

“of consumers,  
by consumers,  
for consumers”

A 30-day diary for my skin tired of  
the mask

# 남녀노소 구별없이 누구나에게 필수템 피부장벽 형성의 1등 공신, 콜라겐

젤과 콜라겐시트의 명가, 뷰티인아시아가 개발한 **콜라겐거즈셀 시트**

**Collagen gauze cell sheet** developed by Beauty in Asia,  
a renowned producer of gel and collagen sheets

A gauze-type sheet with a 3D structure prevents moisture evaporation, forms a three-dimensional layer of collagen essence and effectively traps it in the skin, and is a high-quality sheet with high transparency and high adhesion. Although there are individual or environmental differences, when testing in a general environment, normal sheets dry after 10 to 20 minutes, whereas this sheet often remains moist even after 30 minutes to 1 hour. It boasts excellent moisturizing power.

콜라겐 앰플 한통이 통째로 풍덩!  
탱글탱글 콜라겐 에센스

A whole bottle of collagen ampoules!!

Elastic Collagen Essence

01

**Light essence type  
that absorbs quickly**

It is a light essence type that is not sticky and absorbs quickly. It has a refreshing feeling of use and is effective in soothing rough and sensitive skin due to the temperature difference between harmful external environments and weather.

02

**Moisturizing feeling  
of elasticity**

The tangy essence forms a moisture barrier to prevent moisture evaporation as much as possible, helping the essence to be fully absorbed into the skin.

03

**Non-flowing  
tight adhesion**

The synergistic effect of fabric and essence prevents moisture evaporation as much as possible and absorbs it into the skin. Super tight adhesion.

3無

실리콘 無 첨가 NO Silicon Components

파라벤 無 첨가 NO Paraben

실리콘 無 첨가 NO Pigment

# Ingredients List

## Hydrolyzed Collagen

It provides moisture to the skin and increases the density of skin fibrous cells, making the skin firm. In addition, it helps the skin to produce collagen well, so it helps to form young, healthy and vital skin.

## Trehalose

It protects the cell membrane to prevent moisture evaporation and protects the skin from extreme dryness. Excellent moisture retention, trehalose itself acts as an antioxidant, increasing the stability of vitamins C and E.

## Virginia Peony Extract

It is mainly used to soothe skin problems with witch hazel extract. It is an ingredient recognized as an effective natural botanical ingredient as a skin soothing and astringent.

## Niacinamide

It increases the level of ceramide in the skin, and as a vitamin B3 derivative, it is an antioxidant and cell-communicating ingredient.

## Aloe Vera Leaf Extract

Aloe soothes sensitive skin caused by masks, UV rays, city pollution, stress and lack of moisture, and soothes and moisturizes tired and flaky skin, giving you a refreshing feeling.

## Sodium Hyaluronate

As a representative moisturizer, 1g of hyaluronic acid can attract up to 1000ml of moisture, so it is excellent in moisturizing the skin.

비아이펙트 콜라겐다이얼리 앰플마스크 특징점

## Professional Skill

A skin barrier strengthening mask pack that provides excellent moisture and nutrition to the skin tired from the irritation caused by the mask.

The Beauty in Asia (BIA) factory produces various premium nonwovens and products using nonwovens, and produces and supplies professional aesthetic care products and health care products to the global market.
