Green Tea (<i>Camellia Sinesis</i>) Leaf Extract	Angelica Sinensis Root Extract	Mongolian Milkvetch (<i>Astragalus Membranaceus</i>) Root Extract

ASVA21 is an expertly blended, highly natural solution that helps slow aging by prevents free radicals from damaging skin cells.

ASVA21 uses naturally derived organic ingredients such as pure vitamin C and fullerene to create a synergistic blend.

Clinically proven anti-irritating and cell-regenerating ingredients

High Purity
Madecassoside

+

D-Panthenol

+

Allantoin

=

Proven
Combination

Madecassoside, D-Panthenol and Allantoin are extensively **used in various skincare formulations because of its soothing and repairing properties.**

Re:laco uses D-Panthenol instead of DL-Panthenol and 90% high purity madecassoside to ensure soothing and restorative effect on the skin.

Gentle enough for baby skin, allantoin also relieves irritation and protects the skin.

VA21 delivers the best results for your skincare needs through the optimal blend of these three ingredients.

Extensive research into capturing
the entirety and purity of natural
vitamin C

The background is a warm, golden-yellow gradient. In the center is a large, glowing circle with a bright light source inside, creating a lens flare effect. Surrounding this central circle are several smaller, translucent golden spheres of varying sizes, some of which also have light flares. The overall aesthetic is one of luxury and high-tech beauty.
