

WHITE TREE's BRANDS

WHITE TREE do their best to make our lives richer and more fragrant through the "scent" that they know better than anyone else and can make well.

Brand Line Up

BRAND CONCEPT

[WHITE TREE] I hope that housework, which was considered hard and troublesome in busy daily life, will no longer be labor, but a rewarding and happy thing for me and my family.

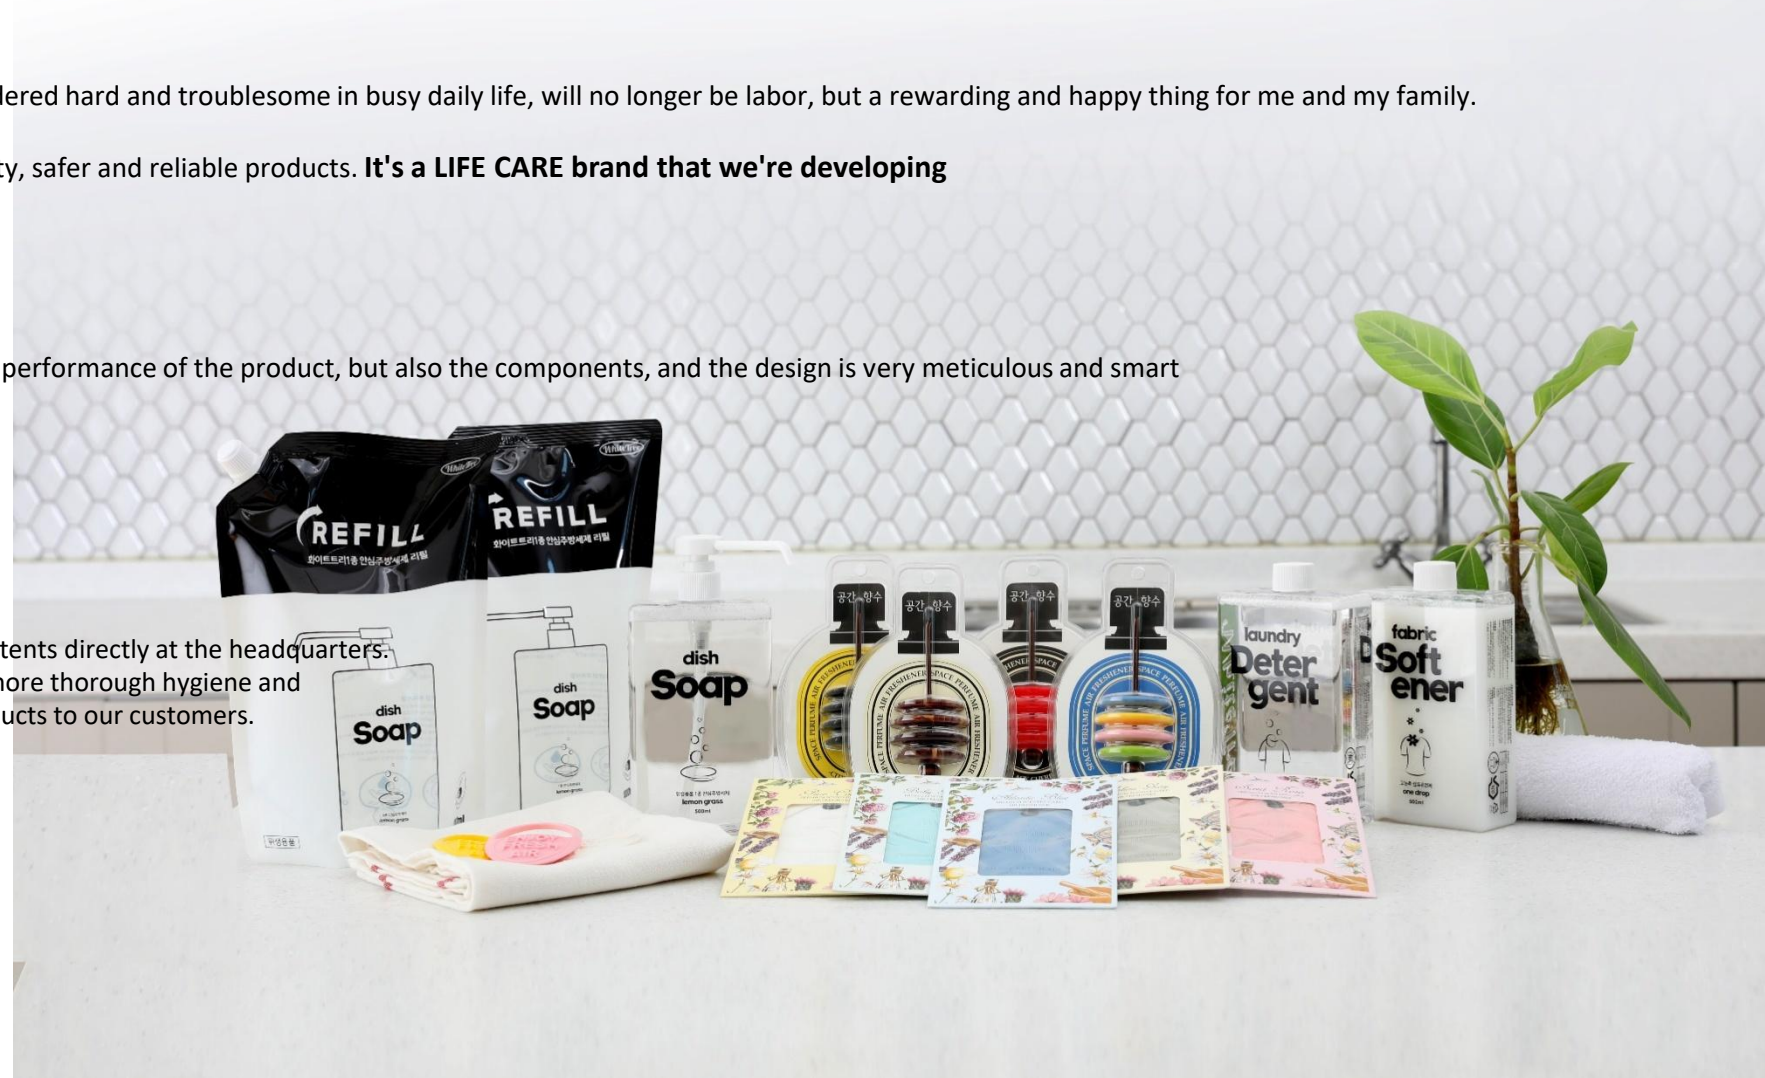

For 20 years, WHITE TREE has studied only better quality, safer and reliable products. **It's a LIFE CARE brand that we're developing**

TARGET

[WHITE TREE] not only checks the unique function and performance of the product, but also the components, and the design is very meticulous and smart
I think women in their 30s are the main customers.

BRAND ITEMS

[WHITE TREE] is
It consists of products that manufacture and package contents directly at the headquarters.
This means that you can use it with confidence through more thorough hygiene and quality control It's our insistence to provide only the products to our customers.
