New color story.

New sensitivity
with natural
and modern colors.

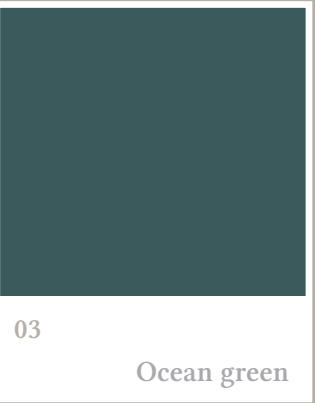

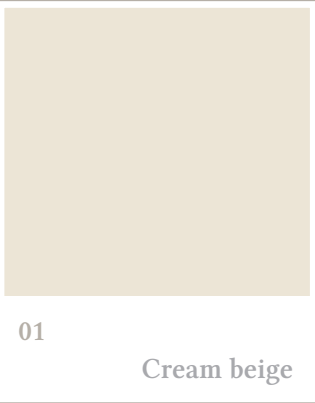

At Sillymann
where vivid colors were its trademark,
we are presenting the 3 new colors
that are modern and toned down.

Cream beige that resembles an afternoon sunshine -
Cocoa gray that combines somber gray with warm cocoa colors -
Ocean green that expresses the color of a deep turquoise ocean -

By reflecting consumer opinions,
The newly released colors,
with the sense of coloring
that makes putting in any food harmonious,
considered the kitchen interior and even table setting.

With Sillymann Harmony Collection,
Make your kitchen sensuous.

New color story.

Highly resistant to heat, no deformation

Resistant to heat and cold from -40°C to 250°C , which doesn't change its form even in boiling water and which is safe and hygienic.

Platinum silicone & Made in KOREA

It is a reliable product made in Korea, from processing to manufacturing through a platinum catalyst manufacturing method.

Easy sterilization and cleansing

You can sterilize it with boiling water and a microwave oven, so it can be sterilized and cleaned easily and cleanly even at home.

Delicately designed and highly durable

A delicate design makes it convenient to cook and not to slip, and there is less deformation as the silicone is highly durable.

ECO PACKING

Thinking of environment, Sillymann is using paper package instead of plastic one. Due to the characteristics of the silicone material, the product may be covered with paper dust while shipping. Wash and use it as it not a product failure or contamination. We are changing to the material where recycling materials are actively utilized. Thank you for being with us to make the world better.
