

WOOSM

Sculptural Candle Collection

ORGANIC & SHARP SERIES

The Sculptural Candle Collection presents a total of 10 natural soy candles that resemble the beauty of nature.

PRODUCT FEATURE

WOOSM candles are art

WOOSM candles are created as artistic results that combine the design potential of computer software with 3D printing technology. The 10 design candles are characterized by product names that fit the concept, and all products are handmade. The luxurious packaging design shows the brand's identity and provides consumers with opportunities to choose differentiated products.

PREMIUM OIL

Cosmetic-grade premium oils

All scented candles are manufactured using only cosmetic grade premium oils without phthalate.

*Phthalate: Toxic substances found in cosmetics, perfumes, medical devices and toys

NATURAL

Natural soy wax

Crafted from premium natural soywax, this eco-friendly candle offers a flawless, luxurious finish and rich color.

HANDMADE

High quality

Each candle is meticulously crafted to perfection, paying attention to the finest details and undergoing rigorous quality control.

The image features five white candles with intricate geometric designs, arranged on a white surface. The candles are: a cube with a grid pattern (top center), a cube with a star-like pattern (left), a cube with a circular pattern (center), a cube with a square pattern (bottom center), and a cube with a cross-like pattern (right). Each candle has a small wick. The lighting creates soft shadows on the surface.
