

#MineralSunscreen #Non-nano #ZincONLY #Daily #ReefSafe

Comfortable skin with zinc-only, 100% non-nano mineral sunscreen

UV Protection, Brightening, Anti-wrinkle SPF50+, PA++++

A zinc-only, non-nano sunscreen you can trust

A 100% zinc oxide non-nano mineral formula that reflects UV rays with no concern of it being absorbed by delicate skin. Use it with confidence, even for baby skin with weak protection

Cooling & calming formula for sensitive skin

Deep and mild power from nature, Gamtae extract and cooling ingredients protect the skin from UV rays and soothe the overheated skin

Daily sun care with mineral sunscreen

A fresh and light texture without thick white cast, stiff application and dryness. A comfortable sun care product naturally sticks to the skin, which can be applied daily

Kind prescription for clean tomorrow

A kind prescription with a 'reef safe formula' that protects *marine ecosystems from marine threatening *ingredients. (*Oxybenzone, octinoxate)
