

#100hHydration #MildHydration #DailyCare #Hypoallergenic #ForTheWholeFamily

A Gentle, mild lotion for sensitive skin. Your daily hydration guardian – 100-hour moisture!

A hydration guardian that embraces your day

Daily moisturizing care that keeps delicate skin for a long time by increasing the moisturizing effect with ECO ceramides obtained from nature, keeping it moist for up to 100 hours

Soothing moisturizing by Jeju Gamtae

Deep and mild power from nature, Jeju Gamtae extract moisturizes and soothes tired skin to quickly calm itching caused by drying and soothes skin more comfortably

Low pH mild lotion for sensitive skin

A mild hypoallergenic lotion with a slightly acidic formula similar to the natural pH of the skin gently balances the oil and moisture of the delicate skin to protect a healthy and comfortable skin environment

Lightweight moisture that skins in

Daily lotion of an olive-derived emulsifier blended with naturally derived oils absorbs softly, leaving skin dewy with rich, lasting hydration, without being sticky
