

#All-In-One #RelaxCalm #DeepHydration #MildlyAcidic #ForTheWholeFamily

A low-irritant bubble wash that lets skin breathe. Make your little one's First bath gentle!

Fun bath time with bubbles

A hypoallergenic foaming wash that is pleasant for both children and adults, as the rich and soft foam reduces skin friction and leaves delicate skin fresh without any residual feeling

Moisture care without tightness

Relax during the bath and moisturize after the bath. The rich moisturizing ingredients maintain moisture without dryness after washing

Mild and gentle cleansing

A deep and mild power from nature, Gamtae extract and a mild acidic formulation cleans gently without skin irritation and maintains a balance of oil and water after washing

All-In-One cleanser from head to toe

From shampoo to hip cleanser to hand wash for children: from face wash to hand wash for adults, a quick and easy all-in-one cleanser that can be used by the whole family from head to toe, with just one foaming wash

Suitable for all ages, including infants and children
