

World Best Acne Patch

One Sheet at a Time!

Hygienic and Convenient Dispenser

If you pull it, one sheet will come out

InnoBelle Patch

01. **Unprecedented convenience! The world's first case-storage acne patch**

Dispense one patch at a time, hands-free! The dispenser design ensures both hygiene and convenience.

Complete acne care anytime, anywhere with the built-in mirror.

02. **Complete dust and bacteria sealing, dual-layer case design**

A meticulous dual-layer case eliminates concerns about external foreign substances and contamination!

Hands-free application also prevents the risk of secondary infection, ensuring worry-free use until the last patch.

03. **Convenient anytime, anywhere! Ultimate portability**

Compact size with a built-in mirror.

Fits easily in your pocket or bag for quick care even during outdoor activities.

04. **Invisible strength: Hexagonal honeycomb structure technology**

Honeycomb-shaped dimpled mesh embedded between hydrocolloid particles prevents exudates from leaking and stably supports absorbed liquid, providing solid support like "concrete rebar."

05. **White, flaky, and adheres flawlessly! It's virtually invisible.**

The sheer color matches your skin tone and the thin thickness creates a natural, perfectly adhered mask, making it perfect for use over makeup!

06. **Large capacity of 120 sheets, excellent value for money.**

The generous quantity ensures economical and consistent trouble management.
