Product Lineup

RIAHCL Protective Shampoo

- A low-irritation, clinic-grade shampoo that softens the hair and cares for the scalp — all without silicone.
 - Patent-pending AbelGold™ coats the cuticle and protects hair from heat styling and coloring damage.
-

RIAHCL Repair Treatment

- Powered by SEOHO LAB's Collatin™ protein complex, this treatment replenishes deep damage for inside-out repair.
 - Camellia oil and Mariniqe™ restore shine and bounce, leaving hair soft and smooth — with no silicone buildup.
-

RIAHCL Amati Water Essence

- A lightweight, water-based hair mist that absorbs instantly without stickiness or weight.
- With a silicone-free & vegan formula, it adds natural shine and smooth control before or after heat styling.

**NOT JUST A SHAMPOO —
A TOTAL SCALP-TO-HAIR CLINIC IN A BOTTLE.**

RIAHCL Protective Shampoo

No silicones. No sulfates. No nonsense.

Just a clean, honest formula that actually works
— for both scalp and hair.

Regular shampoos rinse off.

RIAHCL stays and cares.

Our yeast-based liposomes keep nourishing your scalp —
even after your shower ends.

**NOT JUST A SHAMPOO —
A TOTAL SCALP-TO-HAIR CLINIC IN A BOTTLE.**

RIAHCL Protective Shampoo

Better than silicone. Stronger than coating. Clinically smart.

AbelGold™ nano-gold technology forms a high-performance coating that protects hair from heat, color, and UV — and gives it unstoppable shine.

Clinically proven low-irritation.

Safe for daily use — for men, women, and even sensitive scalps.

CERTIFICATE OF VEGAN RIAHCL PROTECTIVE SHAMPOO
