Radiance Niacinamide 10% Ampoule

A 10% high-concentration niacinamide ampoule that evens out skin tone and enhances the skin's radiance.

Selling Point

1. High-potency 10% niacinamide for tone, texture, and pore care.

- Niacinamide smooths the skin's texture, controls excess sebum, and improves the appearance of enlarged pores.
- Boosts cell turnover to help remove dead skin cells, resulting in a smoother texture and a even more complexion.
- By enhancing the synthesis of skin barrier lipids like ceramides, it protects the skin, prevents moisture loss, and smooths rough and dry skin texture.
- Controls excessive sebum production, helping prevent clogged and enlarged pores for visibly refined pore appearance.

2. Formulated for a naturally radiant complexion.

- Blended with ingredients that help refine skin tone and texture, and reduce hyperpigmentation.
- 10% Niacinamide : evens out skin tone by inhibiting melanin transfers.
- Arbutin : helps prevent dark spots by stopping tyrosinase—the source of dark spots—from making extra pigment.
- Tranexamic Acid : by reducing melanin production, prevents dark spots and discoloration.

3. Radiant, brighter skin tone and wrinkle improvement.

- With pure vitamin C and stable vitamin C derivatives, this formula delivers brighter and firmer-looking skin.
- Soothes the skin, boosts collagen synthesis, and strengthens the skin barrier.

Patent

[No.10-1901451]

11 Flowerburst complex

A cosmetic composition containing a blend of flower extracts obtained using a natural deep eutectic solvent.

Radiance Niacinamide 10% Ampoule

A 10% high-concentration niacinamide ampoule that evens out skin tone and enhances the skin’s radiance.

How to use	Gently apply a proper amount to your skin in the morning and night.
Volume	50ml / 1.69 fl.oz.
Function	Anti-wrinkle
Texture	A clear ampoule formula with a thick consistency/ Allergen Free
Test	Primary skin irritation test

* The above information refers only to the ingredient properties and has not been reviewed under the Cosmetics Act.

Radiance Melasma Cream

A brightening cream targeting dark spots and pigmentations, while firming and lifting the skin.

1. Brightening

- Targets uneven skin tone and texture with ingredients proven to fade dark spots.
- Niacinamide 5% : evens out skin tone by inhibiting melanin transfers.
- Arbutin 2% : helps prevent dark spots by stopping tyrosinase—the source of dark spots—from making extra pigment.
- Glutathione : helps keep the skin looking youthful and bright by protecting against aging and reducing dark spots through tyrosinase inhibition.

2. Firming

- Enhances skin firmness to support a healthy barrier and visibly diminish wrinkles.
- Retinal : as a vitamin A derivative, promotes smooth, radiant skin by supporting cell renewal, minimizing wrinkles, and preventing dark spots.
- Adenosine : improves skin firmness and reduces the appearance of wrinkles.

3. Ultra-Hydrating

- Deeply hydrates and nourishes to keep your skin soft, supple, and free from dryness.
- 8 types of Hyaluronic Acid : delivers deep hydration by penetrating the skin's layers with high, medium, and low molecular weight hyaluronic acids.
- Glycerin : creates a protective moisture layer on the skin to lock in hydration.
- Cocoa Butter : delivers intense moisture to soften and smooth dry, rough skin, while fatty acids and antioxidants help reinforce the skin barrier and lock in hydration.
- Panthenol : deeply hydrates and soothes skin from external irritations, providing a calming effect and reinforcing the skin barrier to boost moisture retention.
- Allantoin : derived from plants, soothes and helps repair the skin while delivering lasting hydration to protect against dryness.

Seaweed Refresh Gel Cleanser

Mildly acidic cleansing gel that removes even fine dust while leaving skin hydrated and calm

Selling Point

1. Skin-Friendly Mildly Acidic Formula

- With a mildly acidic pH (5.5 ± 1), similar to the skin's natural pH (4.5–5.5), this formula helps maintain skin balance for a gentle and comfortable cleansing experience.
- The gel texture effectively removes excess sebum while minimizing skin damage.
- Formulated to minimize irritation and protect the skin barrier, safe for even the most sensitive skin.

2. Powerful Cleansing & Nourishing with Seaweed Extracts

- Clinically proven formula with anti-fine dust cleansing efficacy. (verified through a fine dust mimic removal clinical test)
- Sargassum Fulvellum (Seaweed) Extract : effectively removes fine dust and impurities; provides excellent hydration and antioxidant care among seaweed ingredients to help maintain healthy skin.
- Undaria Pinnatifida (Wakame) Extract : Derived from upcycled ingredients grown in the clean waters of Jeju; soothes and hydrates the skin.
- Laminaria Japonica (Kelp) Extract : Rich in minerals and amino acids–nourishing the skin and strengthening the moisture barrier.
- Ecklonia Cava Extract : With powerful antioxidant benefits, it protects the skin from external aggressors and helps revitalize dull skin.

Seaweed Refresh Gel Cleanser

Mildly acidic cleansing gel that removes even fine dust while leaving skin hydrated and calm

Selling Point

3. Deep & Long-Lasting Hydration and Skin Conditioning

- Provides instant and long-lasting hydration for deep moisturization during and after use.
- Infused with rich nutrients to boost skin health and enhance natural glow over time.
- 8 types of Hyaluronic Acid : Delivers deep hydration by penetrating the skin's layers with high, medium, and low molecular weight hyaluronic acids.
- Amino 20 Complex : 20 essential amino acids that support collagen, elastin, and keratin production for firm, radiant skin.

4. Soothes and protects the skin even after cleansing

- Panthenol : Provides deep hydration while soothing the skin from external irritations. Enhances comfort and strengthens the moisture barrier for lasting hydration.
- Allantoin : a naturally derived moisturizing ingredient from botanical sources, known for its soothing and skin-regenerating effects. Helps lock in moisture on the skin's surface to protect dry, sensitive skin.
