▶ Target Consumers: Ages 10 to 60			
▶ Domestic Sales Channe : None		▶ Export Countries: USA, China, Taiwan, etc.	
▶ Product Characteristics : Sauce 60.0%, Cut Crab 40.0%			
1. A traditional dish featuring fresh crab marinated in a special soy sauce, prepared using authentic Korean methods			
2. The special soy sauce thoroughly permeates the cut crab, boasting a deep and rich flavor			
3. The product is packaged in a small 300g unit, offering the advantage of being a ready-to-eat dish that requires no separate preparation, perfect for busy modern individuals			
▶ Shelf Life & Storage			
- Expiration Date: 24 months from the manufacturing date			
- Storage Method: Keep frozen below -18°C			
▶ Serving & Preparation Guide			Allergy
1. Please note that prolonged aging in a thawed state may cause the crab meat to dissolve and disappear into the marinade			Soybeans, Wheat, Crab
2 The remaining sauce can also be used as a delicious seasoning for noodles (adding sesame oil/seeds and shredded seaweed makes it even better)			
▶ Certification : HACCP, FSSC22000
