▶ Country of Origin			
Jukkumi (Webfoot Octopus) : Vietnam, etc, Sauce: Processed by Youngdong			
▶ Target Consumers: Ages 10 to 60			
▶ Domestic Sales Channel: OEM only (E-mart)		▶ Export Countries: USA, Canada, Japan, China,etc	
▶ Product Characteristics : Jukkumi (Webfoot Octopus) 70%, Sauce 30%			
1. Unlike regular Jukkumi, this product does not release water when stir-fried in a pan. Our premium Jukkumi boasts an outstandingly resilient and chewy texture, allowing you to enjoy stir-fried Jukkumi at the level of a professional restaurant.			
2. The sauce, which is based on gochujang (Korean chili paste), creates a harmonious blend of savory and spicy flavors			
3. The spicy flavor targets overseas Koreans, offering them a taste of home, while also appealing to international enthusiasts who enjoy hot and spicy food.			
▶ Expiration Date and Storage Method			
- Expiration Date: 24 months from the manufacturing date			
- Storage Method: Keep frozen below -18°C			
▶ Cooking Guide			Allergy
1. Fully thaw the product at room temperature.			Soybean, Wheat, Beef
2. After thawing, stir-fry the Jukkumi in a preheated pan until fully cooked.			
3. For an enhanced flavor, you may add vegetables such as garlic, green onions, and cabbage when cooking..			
▶ Certification : HACCP, FSSC22000
