About US

*A leading home
decoration
design company,
UNIDESIGN*

UNIDESIGN, a professional design and manufacturing company, is leading the new area of wall decoration.

With UNIDESIGN's BEAUS Tile, home decoration becomes convenient and quick.

COMPANY

About UNIDESIGN

UNIDESIGN began as a family owned and operated business in 1992 and has grown into one of the countrywide premier sticker design company. We are a trusted manufacturer of qualified products with the beautiful design finding the new home decoration concept.

For more than 25 years, UNIDESIGN has been committed to developing top-quality merchandise at tremendous design. From our humble beginnings as small businesses, the UNIDESIGN family has grown to become one of the country's premier design company and offline merchandiser. And we are proud to say we remain a family-run company focused on one premise: satisfy our customers with high-quality products at a great value.

As we've grown to serve customers throughout Korea, we've also expanded our product offerings worldwide. As leader in our industry, we not only create a variety of unique design every season,

but also exercise leverage to cutting-edge technology by improving new and exciting products through overseas exhibitions. Thanks to our relationships with cooperative vendors, designers and manufacturers, our customers benefit through UNIDESIGN's high quality products.

In order to keep our product fresh and exciting, our designer searches globally for outstanding products with incredibly high price and difficulty to use, which exceed our customers' expectations. With hypermarkets and online shops in Korea, we are providing not only fantastic products, but exceptional home decoration idea to our ever-increasing customer base.

We pride ourselves on providing outstanding design, incomparable quality, and new trend of home decoration.

Mission Statement: "Quality Through Pride"

Our Mission is to provide knowledge that exceed consumer expectations through an extensive line of tile sheet and wall covering products. We are passionately committed to providing unparalleled home decoration experiences to our customers with a continued devotion to outstanding product quality.

UNIDESIGN looks forward to fulfilling your needs for many years to come. Hoping you have a good business relationship with us.

BEAUS TILE

Refresh your house with BEAUS TILE

UNIDESIGN has developed an adhesive aluminum 3D tile sheet under the brand name "BEAUS TILE", based on the innovative design products that meet the needs of customers.

BEAUS TILE has a transparent and smooth glasslike tile texture that gives a stylish accent to plain or undesirable walls. BEAUS TILE is good for DIY projects for many places: kitchen and bathroom walls, counter tops, backsplash, shower siding, and bathtub. BEAUS TILE is printed on aluminum foil, so it has fire retardant properties (120 C° / 248 F°) and can be safely attached to gas stove walls.

BEAUS Tile is easy to cut using scissors or a cutting blade down to desired size. BEAUS Tile is also easy to remove. If you are not satisfied with your first attachment, just reattach the product.

BEAUS TILE does not contain the noxious ingredients: formaldehyde, phthalates, and cadmium. (Please refer to page 11 or contact us for more ingredient certificate details.)

Maintain, reform and decorate your home with UNIDESIGN's BEAUS TILE. Start an exciting new DIY project with our sticker, BEAUS TILE.

TECHNOLOGY

Factories, quality control, and artworks

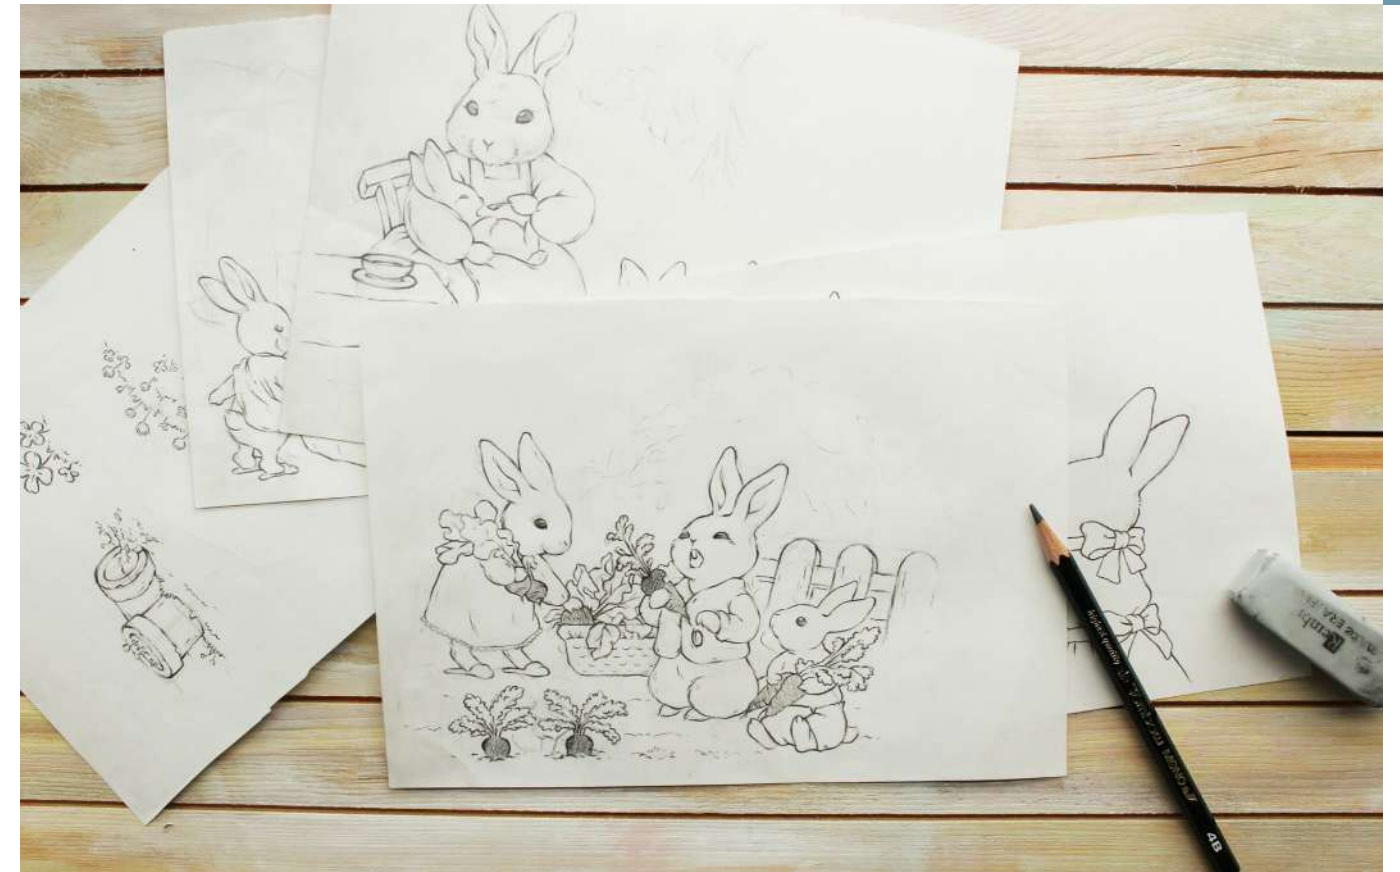

FACTORIES AND QUALITY CONTROL

We want our company name always be synonymous with quality.

We have our own factories and have been working closely with vendors and manufacturers for a long time. This trust relationship has a positive effect on maintaining high quality and making good price of our products.

We provide customers with Lot record, Certificate of origin(C/O), and Quality assurance (Q/A) written based on Quality management system(QMS).

ART WORKS

Fantastic value of UNIDESIGN's designs

Every product of UNIDESIGN is designed by our skillful designers. Our design team globally searches for trends in patterns and colors every season to create new and better designs.

UNIDESIGN have been maintaining hand drawing system since its foundation. Although our technology of manufacturing has developed, we are making sources with painting and drawing using brushes, pencils, and papers from small stone pattern to largely carpet design.

PATENTS & AWARDS

UNDESIGN has international manufacturing patent of BEAUS TILE in Japan and Korea. We also have design patent of two unique patterns, BEAUS TILE – MUSE ¹ and MARBLE. ²

We received “The Best SMES Prize” from Korean government in December, 2014. ³ This award demonstrates that UNIDESIGN has been officially recognized by the government for the achievement of outstanding technology development.

We are selected by government as “Export Frontier Enterprise” in December, 2016. ⁴ And our export representative was awarded “Export Merit Award” from the city where the company is located in December, 2017.

Even before the BEAUS TILE was developed, UNIDESIGN had “The Excellence Award in Design Venture” of KIDP ⁵, and won “The Excellence Award in Living-Print Category” by Seoul. ⁶

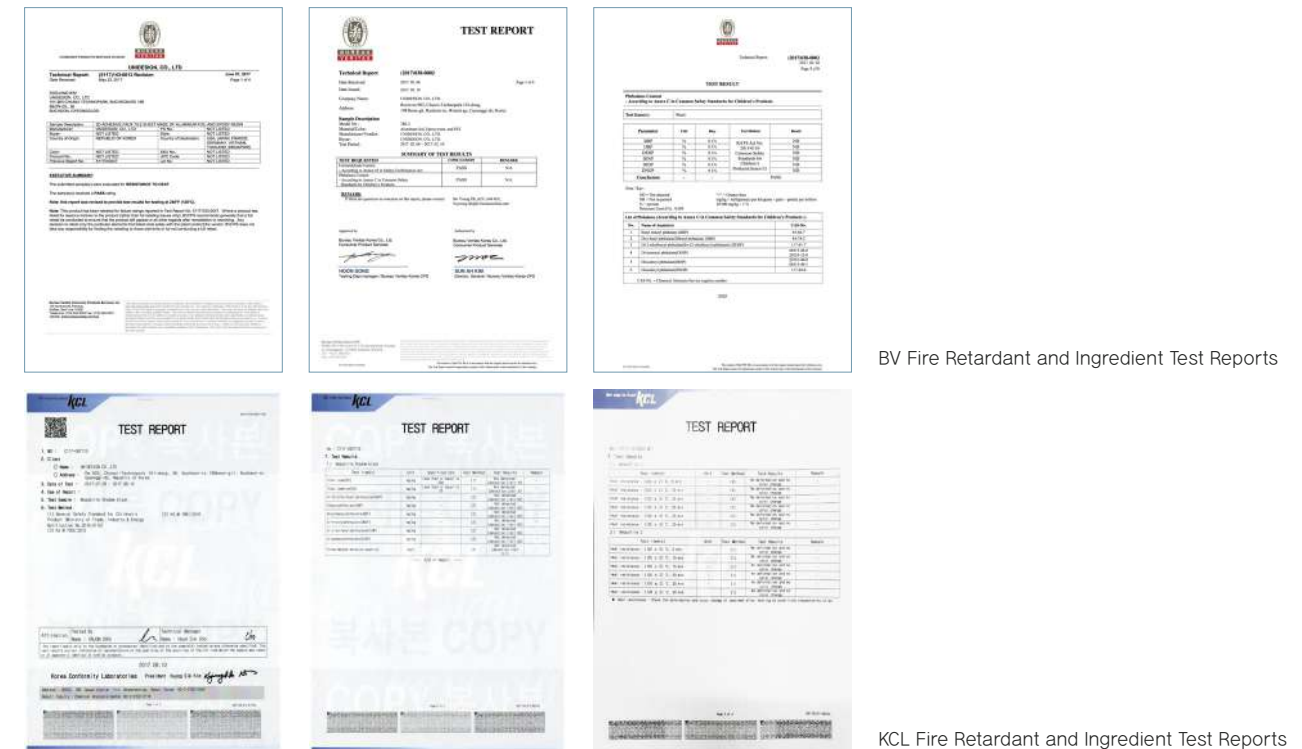

All of these awards show how UNIDESIGN is a technically creative and reliable company.

CERTIFICATIONS

Trust through international certification authority

BEAUS TILE was recognized for its fire retardant and non-toxic from BV (Bureau Veritas), KCL (Korean Conformity Laboratories), and MSDS (Material Safety Data Sheet).

BEAUS TILE does not contain noxious ingredients. It received KC mark quoting in KATS per every models. The KC mark is a warranty of quality certification mark similar to CE of EU and PS of Japan.

BEAUS TILE PATENT
