Product Line- up

■ Made with Carefully Selected Beetroot and Nurungji

A premium blend that harmoniously combines the natural flavor of beetroot with the rich, roasted aroma of traditional Korean nurungji (scorched rice).

■ Smooth and Clean Taste

The subtle flavor of beetroot and the savory nuttiness of nurungji create a mild and enjoyable tea that can be comfortably enjoyed by people of all ages.

■ Caffeine-Free Beverage

Contains no caffeine, making it a comfortable and enjoyable drink for children, seniors, and anyone seeking a caffeine-free beverage.

■ Health-Oriented Premium Tea

Crafted with traditional ingredients and carefully selected raw materials to deliver a wholesome tea with a naturally rich flavor.

■ Convenient Tea Bag Format

A practical tea product that can be easily brewed and enjoyed anytime, anywhere.

Brewing Instructions

Hot Serving

Place one tea bag into a cup.

Pour 200–300 ml of hot water (90–100°C) over the tea bag.

Steep for 3–5 minutes before drinking.

Adjust the steeping time according to your preferred strength.

Iced Serving

Place one tea bag in 100 ml of hot water and brew it strongly.

Remove the tea bag.

Add ice or cold water as desired.

Enjoy a refreshing and smooth Iced Beetroot Nurungji Tea.

Ginseng

① Ginseng Tea Product Description

Ginseng Tea is a premium health-oriented tea bag product made from carefully selected ginseng, delivering the rich aroma and distinctive flavor of ginseng in every cup.

The tea offers a harmonious balance of ginseng's characteristic slightly bitter taste and natural subtle sweetness, making it an enjoyable beverage for daily consumption. Designed for convenience, it can be enjoyed both hot and cold throughout the year.

② Product Features

■ Made with Carefully Selected Ginseng

Produced using high-quality Korean ginseng to preserve its authentic aroma and flavor.

■ Rich and Deep Flavor

Provides the distinctive, full-bodied taste and refreshing finish of natural ginseng.

■ Convenient Tea Bag Format

Easy to prepare anytime and anywhere for a quick and enjoyable tea experience.

■ Health-Conscious Beverage

Naturally caffeine-free, making it suitable for people of all ages.

■ Suitable for All Seasons

Can be enjoyed hot or iced, offering versatility throughout the year.
